

Usage

The SMB connection kit is part of the accessories to connect the Sunny Main Box to the following inverters:

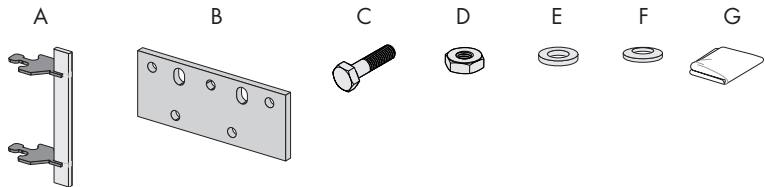

- Sunny Central 500CP (SC 500CP-10)
- Sunny Central 630CP (SC 630CP-10)
- Sunny Central 720CP (SC 720CP-10)
- Sunny Central 760CP (SC 760CP-10)
- Sunny Central 800CP (SC 800CP-10)

The busbar enables the connection of up to 4 DC cables.

Mounting

For the mounting description, refer to the inverter's installation guide.
